BUILDING MOVEMENTS: WIN:EVANGELISTIC STRATEGIES

AN OUTREACH EVENT

Hosting an evangelistic speaker is one way to reach students and stir discussion on campus for weeks.

THE SPEAKERS FORUM

The U.S. Campus Ministry Speaker Events help accelerate the mission of reaching every student with the Gospel. As one of our most effective “harvest” tools for evangelistic decisions, we are providing matching grants for approved national speakers.

The matching grants have been raised as designated funds for evangelistic events. While funds last, matching grants will be provided for approved events. These grants will be for 50% of actual expenses up to, but not exceeding, the individual grants allotted to each speaker. (See below for grant limits.)

Requirements

To qualify for a grant the follow requirements must be met:

Pre-event:

Application Approved for a matching grant for Speaker Forum Speaker or Event (normally two months in advance).

At the event:

Speakers must give a clear gospel presentation.

Students must be given the opportunity to receive Christ during the event.

Comment cards must be given out for student feedback and follow-up.

After the Event:

A Speaker Forum Event Report, including expense summary, must be submitted before matching grant
